

# Recreational Pond Management

[Click Here to Register](#)

**Tuesday  
March 7, 2023**  
8:30 – 11:30 a.m.

Lexington County  
Extension Office  
605 W. Main Street  
Lexington

**Cost:**  
*\$10 no credits*  
*\$30 with credits*

*This workshop has been  
approved for 2 hours  
Category 2 CFE credits.*

Charly Greenthaler, Water Resources Agent for the Midlands District, and Janet Steele, Area Forestry and Wildlife Agent, will discuss common pond weeds, the use of integrated pest management (IPM) practices to control pond weed issues, how to maintain proper pond nutrient levels, and how to sample bait and game fish levels and adequately adjust stocking of each in your pond. If you have questions or need more information, contact Charly at [charlym@clemson.edu](mailto:charlym@clemson.edu) or Janet at [jmwatt@clemson.edu](mailto:jmwatt@clemson.edu).

We will have 10 copies of "Aquatic Weeds: A Pocket Identification Guide for the Carolinas" available the day of the workshop at our reduced cost of \$30/copy, first come, first serve (cash or check only).

Should you require special accommodations due to a disability, please notify our office ten days prior to the event.
