

Backyard Farm Management Seed Library Event

Check out the Lexington Soil & Water Conservation District's seed library as we discuss how to manage a backyard garden or farm, livestock, alternatives to large equipment, and the best frost resistant crops to plant.

The Seed Library will be available from
September 9th – September 20th

Take up to 5 packets of seeds and don't forget to fill out the check out slip.

(It helps us learn which seeds to stock)

When: Monday, Sept 9th
5:30pm - 7:00pm

Where: Gaston Library
214 South Main St
Gaston, SC 29053

See you there!
